

Safety Association of Rhode Island, Inc.

“Dedicated To A Safer Rhode Island”

A Non-Profit Organization Serving the Safety, Occupational Health and Environmental Community Since 1949

MISSION STATEMENT

The Safety Association of RI, Inc. (also known as SARI) is organized to bring to its members national viewpoints and local expertise in the fields of safety, occupational health, and environmental management. We welcome members from Rhode Island and nearby Massachusetts and Connecticut.

Our membership includes a diverse group of safety, health and environmental professionals who share their insights and experiences with fellow members.

The exchange of information and ideas between members provides a unique opportunity to work together to address and solve the safety challenges facing business and industry today.

MEMBERSHIP BENEFITS

- Bimonthly meetings where guest speakers present information on a variety of safety-related topics. Each meeting offers the opportunity for members and guests to network and share interests with other safety professional.
- Plant tours offer members the opportunity to visit and experience the inner workings, policies, and procedures of a local facility.
- Social events provide members and guests with an evening of fine food, entertainment, and a festive atmosphere.
- Membership includes the collective support of the association and its members to share information and experiences, including the SARI website.
- Membership is open to all individuals who work in or promote the safety and/or environmental fields.
- Membership includes a bimonthly newsletter, with information on SARI meetings, available seminars, and other information that may benefit safety professionals.
